1. Insured events

Accidental death

Pays the insured capital when an accident directly causes death within 12 months of the event.

Permanent disability

Pays a percentage of the insured capital according to the medical disability schedule when permanent impairment is confirmed within 18 months.

Temporary total disability

Pays EUR 50 per day while the insured is medically unable to perform their declared occupation, from day eight, for up to 180 days.

Medical expenses

Reimburses necessary accident-related medical expenses up to EUR 15,000 per event, subject to a EUR 150 deductible.

2. Benefits and claims

Hospital allowance

Pays EUR 75 for each overnight hospital stay caused by a covered accident, for up to 90 nights.

Emergency transport

Reasonable ambulance or medically necessary repatriation expenses are covered up to EUR 10,000.

Claim deadline

Written notice should be provided within ten days, or as soon as reasonably possible, together with the accident report and initial medical certificate.

Medical assessment

The insurer may request an independent medical examination. The insured must provide relevant clinical records and cooperate with reasonable assessment requests.

3. Main exclusions

Pre-existing conditions

Illness, injury, or impairment existing before the policy start date is excluded unless specifically accepted in writing.

Intentional acts

Self-inflicted injury, attempted suicide, criminal acts, and deliberate exposure to exceptional danger are excluded.

High-risk activities

Professional sport, motor racing, aviation other than as a fare-paying passenger, and climbing above 4,000 meters are excluded unless endorsed.

Alcohol and drugs

Events materially caused by alcohol misuse, non-prescribed narcotics, or misuse of medication are excluded.
